The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Street Safety Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Jersey City, located at 280 Grove Street, Jersey City, New Jersey 07302. The funding would be used for safety and accessibility improvements at 25 priority intersections throughout Jersey City. The project is an appropriate use of taxpayer funds because it will improve safety and accessibility at major intersections in Jersey City, resulting in long term, durable solutions that will serve the community for years.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305 (a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Robert J. Menendez
Member of Congress
