Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Harrison Public Safety Building Construction Phase II in Fiscal Year 2027. The entity to receive funding for this project is the Town of Harrison, located at 318 Harrison Avenue, Harrison, New Jersey 07029. The funding would be used to continue construction of a public safety building for the town's first responders and public safety services. The project is an appropriate use of taxpayer funds because it will support the operational needs of a rapidly growing municipality, help meet increased demand for emergency services, and keep the residents of Harrison safe.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. §5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my family.

Sincerely,

Robert J. Menendez
Member of Congress
