Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Hudson County Plaza Tower Development in Fiscal Year 2027. The entity to receive funding for this project is Hudson County, located at 830 Bergen Avenue, Floor 6B, Jersey City, New Jersey 07306. The funding would be used for preparation for and construction of new housing and apartments, including affordable housing units. The project is an appropriate use of taxpayer funds because it will support access to affordable, quality housing for Hudson County's working families in an area with significant housing needs.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. §5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my family.

Sincerely,

Robert J. Menendez
Member of Congress
