Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the North Hudson Sewerage Authority CSO Project in Fiscal Year 2027. The entity to receive funding for this project is the North Hudson Sewerage Authority located at 1600 Adams Street, Hoboken, New Jersey 07030. The funding would be used to replace and upsize key downstream sewer segments so that combined wastewater and stormwater can be safely conveyed through the system. The project is an appropriate use of taxpayer funds because it would modernize and expand critical sewer infrastructure, reduce combined sewer overflows, and improve water quality and public health for the surrounding community.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, (33 U.S.C 1381).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Robert J. Menendez
