Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the North Hudson Pharmacy Conversion Project in Fiscal Year 2027. The entity to receive funding for this project is the North Hudson Community Action Corporation located at 300 – 31st Street, Union City New Jersey 07087. The funding would be used to construct an in-house pharmacy at the West New York health center. This is a valuable use of taxpayer funds because this investment in local pharmacy infrastructure will reduce long term public health expenditures and improve health outcomes and access to affordable medications for a medically underserved community.

The project has a Federal nexus because the funding provided is for purposes authorized under the Public Health Services Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Robert J. Menendez
