The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations 1036 Longworth
HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Guttenberg CSO Improvements Phase III Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Guttenberg located at 6808 Park Avenue, Guttenberg, NJ 07093. The funding would be used to modify a CSO netting chamber and address issues with the existing stormwater management system. The project is an appropriate use of taxpayer funds because it will mitigate serious environmental, health, and water quality issues caused by CSO pipe overflows.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Robert J. Menendez
Member of Congress
New Jersey's Eighth Congressional District
