Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Thomas J. Stewart Apartments Boiler and Hot Water Heater Replacement in Fiscal Year 2027. The entity to receive funding for this project is the Jersey City Housing Authority, located at 400 U.S. Highway #1, Jersey City, New Jersey 07306. The funding would be used to replace the aging, inefficient boiler and hot water heater in a public housing development for seniors. The project is an appropriate use of taxpayer funds because it ensures that seniors at Thomas J. Stewart Apartments have consistent access to safe, affordable heating and hot water in their homes.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. §5305(a)(2) and (4).

I certify that I have no financial interest in this project, and neither does anyone in my family.

Sincerely,  

Robert J. Menendez  
Member of Congress  
New Jersey's Eighth Congressional District
