The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations 1036

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Bayonne Public Safety Radio Infrastructure Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Bayonne located at 630 Avenue C, Bayonne, New Jersey 07002. The funding would be used to modernize the City of Bayonne Police Department Radio Communication System through the replacement and enhancement of critical system components. The project is an appropriate use of taxpayer funds because it would modernize communications systems to improve response times, enhance situational awareness, and ensure uninterrupted communication during severe weather, major incidents, and daily operations.

The project has a Federal nexus because the funding provided is for purposes authorized by the section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Robert J. Menendez
Member of Congress
