Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Union City Public Safety Technology Improvements Phase III in Fiscal Year 2027. The entity to receive funding for this project is the City of Union City, located at 3715 Palisade Avenue, Union City, NJ 07087. The funding would be used to modernize and upgrade the City's public safety technology and capabilities. The project is an appropriate use of taxpayer funds because it will enhance the safety, security, and wellbeing of Union City's residents.

The project has a federal nexus because the funding provided is for the purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my family.

Sincerely,

Robert J. Menendez
